North American Book Publisher Inks "Clean Break";

Posted by: kstewart in *Untagged* on Oct 3, 2007

The wait is finally over. John Wiley & Sons, Ltd., a global book publishing company, signed a book deal for my first breakthrough novel, *Clean Break: How to End Your Marriage and Move On with Your Life*.

According to Wiley, my book will hit stores spring of 2008. Please stay tuned!

I can barely contain my excitement. First, the success of Fairway Divorce Solutions and my divorce paradigm. Now this book deal. I am so grateful for the opportunity to bring *Clean Break* to the forefront of divorcing families and couples across North America.

All the more, I am grateful for the blessings of those who have supported me. To my children, my family and friends, this is all happening because of you.

For more information about the *Clean Break* book deal, please click [HERE](#).

Thank you,

Karen Stewart (formerly Miles)

P.S. Please look out for my first Q&A entry: *What is the difference between Fairway Divorce Solutions and the traditional divorce solution?*
